*Enjoy the Luxury of
Your very own comfort nest.*

Owning a home in the heart of Haldwani that you would be proud to call your own has never been possible for decades now. Eco Town actually takes you back in time and crafts an offering where everything comes together perfectly just for you.

ECOTOWN Phase 1 & 2

Key Plan

**ECOTOWN**
— सपनों का आशियाना —

Build Your Own

Haven

Eco Town is a cluster of above 300 plots which are etched suited to your needs. Choose a plot from the options of 2400 sq. ft. to 2800 sq. ft. And see your own seventh heaven being built. Let your life blossom in the glory of mountains and revive in the aura of openness and freshness. A well planned project, Eco Town will surely make your life a lot easier.

*Rest assured
You are in good company*

*Presenting your dream home in the heart of
Haldwani which has excellent connectivity*

- * *Pollution free & lush Green Environment*
- * *Ample Water Supply*
- * *Electricity Provision*
- * *Round-the clock security*
- * *Landscaped Park*
- * *40', 30' wide Roads*
- * *And surprisingly affordable*
